1 review and 2 photos of VALLEY A1 ELECTRIC & SOLAR "We just purchased an older home and needed to clean up some "interesting" electrical work in the garage by the previous owner. I had spotted some dangerous issues with the wiring and called in Valley A-1 to fix those issues and inspect the wiring. They were able to come the next day, and after commenting, "we ...

Forming A1 Green Power in 2008, we sought out the most knowledgeable, hard-working and highly skilled solar professionals the area had to offer. Using a strict background check and qualification process, we established a team that has become one of the most respected and recognized in Northern California.

My solar panels shine like new and I know my panels are now much more efficient in absorbing solar power. The reasonable cost will pay off quickly. The team not only washed and cleaned the exterior walls but pressured wash the cement driveway, side of house and patio.

I bought my solar from A1 solar using the hero program. I was told repeatedly that my monthly payment would be \$120 a month.<br /><br />just got my statement for my first 6 months which is \$2668.44. Divide this by 6 it come out \$444.72.

like the title asks, anyone have feedback on the A1solarstore? Did you ever use them or hear from others? Yes, I bought 6 LONGi 320W panels from A1 Solar Store. My experience was great. The panels were actually in a warehouse in my state which kept transport costs down. See my review of the panels and the bill of sale.

My solar panels shine like new and I know my panels are now much more efficient in absorbing solar power. The reasonable cost will pay off quickly. The team not only washed and cleaned the exterior walls but pressured wash the ...
