BB Energy's Board of Directors is the principal governance body of the company and has overall responsibility for the strategic direction and management of the Group. The Board is chaired by the Executive Chairman and comprises seven members.

The decision to award ZR Energy DMCC a new contract, despite its alleged involvement in the tainted fuel case, was explained by "the presumption of innocence -- a principle applicable as long as no [verdict] was issued," an official source said. "The charges pressed at the end of the investigation consist of a foundation for a trial.
