Payment of taxes on business income. A sole proprietor pays taxes by reporting income (or loss) on a T1 income tax and benefit return. If you are a sole proprietor, you or your authorized representative have to file a T1 return if you: have to pay tax for the year; disposed of a capital property or had a taxable capital gain in the year

Unlike sole proprietors, partnerships, and LLCs, corporations pay income tax on their profits. In some cases, corporate profits are taxed twice -- first, when the company makes a profit, and again when dividends are paid to shareholders on their personal tax returns.

With an LLC, profits and losses pass through the entity itself and onto the owner(s), who must then report them on their individual tax returns. For this reason, LLCs are considered "pass-through" entities, and for tax purposes, considered similar to a sole proprietorships or partnerships, based on the number of LLC "members," or owners.
