

Bgw systems inc professional power amplifier model 750 f

In July 1974, BGW Systems was chosen by Universal Studios to supply power amplifiers for use in movie theaters worldwide. These amplifiers were an integral part of Universal's Sensurround sound system featured in "Earthquake", "Midway", and "Rollercoaster". During that period, thousands of BGW Models 750 and 750A's were purchased by Universal.
