Why Choose David Borg Electrical and Solar. David Borg Electrical and Solar brings a wealth of experience and a proven track record to the table. As experts in solar panel installation in Nowra, they provide tailored solutions that ensure each client gets the most efficient and cost-effective solar setup possible. Their approach includes:

1. Reduced Energy Bills: Installing solar panels significantly lowers electricity costs by generating free power from the sun. Over time, these savings can cover the initial investment.
2. Increased Property Value: Homes equipped with solar panels often see a rise in property value, making them more attractive to potential buyers in the Shoalhaven Region, NSW.

This David Borg Electrical & Solar / Borg Power Solutions review is for a solar company based in Callala Bay who has been installing solar panels since 2010. Solar Proof has created this page to help solar consumers to identify customers and offer an avenue for past customers to leave reviews revealing their experiences.
