Leasing and financing are contingent on credit approval and not available in all states. After placing your order, use the same email address and password you used to place your order and sign in to your Tesla Account.

Most Tesla owners have a home charger (or NEMA 14-50 outlet) installed in their garage before taking delivery of their Model S, 3, or X. But not everyone lives in a house with a garage. Some new Tesla owners live in an apartment building or condo that might not (yet) have any EV charging. Should this prevent you from buying a Tesla? Above: Some apartment ...

For me, I wouldn't buy a Tesla unless I had home charging or at least charging available at work. There is real value in having your vehicle charge during downtime like overnight or while at work where you don't have to actively plan it. An exception would be if I had a very short commute/minimal usage and had public charging options available ...

A: Tesla Homes are equipped with photovoltaic panels, Powerwall battery storage, energy-efficient appliances, and other sustainable technologies to minimize energy usage and promote sustainable living. Q: How can I invest in a Tesla Tiny House in Asia Pacific?

Buy a tesla home

unfolds into your very own high-quality home. A must see for all those interested in pre-fab small homes -- even Elon Musk, founder of SpaceX and Tesla, is setting up his home ...

If you're wondering why the Tesla Wall Connector isn't the most obvious pick, there are a couple reasons. For starters, the Tesla Wall Connector only works with Tesla vehicles unless you use a Tesla to J1772 adapter. So if you have another EV or PHEV at your home, then the Tesla Wall Connector can't easily be used on that vehicle.

Powerwall is a home battery that provides backup protection during an outage. See how you can store solar energy and reduce your electricity bill. For the best experience, we recommend upgrading or changing your web browser. ... Request a quote from Tesla and get connected to a Tesla Certified Installer or sign up to stay updated.
