Eveready lithium aa batteries

power-hungry devices. The Eveready Blue batteries are long-lasting value-for-money solutions for your low-drain devices, also we are among the foremost players to foray into the rechargeable batteries segment with intelligent chargers for the ...

In the market since 1899, Eveready Batteries are still in the market, still trustworthy and affordable. Heavy Duty batteries, also called Zinc Carbon, are the least expensive batteries in the market. While they do not last as long as their equivalent Alkaline batteries, this is proportional to their lower price.
