This module contains many algorithms that will shape as realistically as possible a solar system. There is a 3% chance that there are anomalies (black holes, ion storms...) and a 1% chance ...

For artists, writers, gamemasters, musicians, programmers, philosophers and scientists alike! The creation of new worlds and new universes has long been a key element of speculative fiction, from the fantasy works of Tolkien and Le Guin, to the science-fiction universes of Delany and Asimov, to the tabletop realm of Gygax and Barker, and beyond.

A solar system comprises of a star and all the celestial bodies that travel around it - planets, moons, asteroids, comets. Some solar systems may even have two stars. What is a Star? A star is an immense glowing ball of extremely hot gases, mainly hydrogen and helium, where nuclear fusion releases a tremendous amount of energy. A few nearby ...

Solar system maps/data for cannon star systems? ... The creation of new worlds and new universes has long been a key element of speculative fiction, from the fantasy works of Tolkien and Le Guin, to the science-fiction universes of Delany and Asimov, to the tabletop realm of Gygax and Barker, and beyond.

Just make your own with NASA images - they are pretty good. Made this one super quick simply with some Nasa planet (mars in this case but you can do moons also) video - basic star background and cut/paste of image converted into webm vp8 ...

Construct a realistic solar system map: planets of 3 sizes, asteroids, a scientific range of suns, rings, atmospheres, and starfield backgrounds. ... Also suitable for crafting a fantasy astrology system and ...

Welcome to your solar system generator! Start a new solar system. Name your solar system: Name your star: Choose your star's spectral type: This project uses the Morgan-Keenan system of star classification. Read more about the Morgan-Keenan system here. How many planets would you like?

If you need to generate a system with such a world, it is preferable to force it. Note that even a garden-type world may be very cold or hot, as long as it falls in a range that humans can live in! If you want your star

Fantasy solar system map

system to be located in an open cluster (which makes for close neighboring systems to explore) check the box.

Astronomy is one of my hobbies, and I'm particularly intrigued by exoplanets - planets beyond our solar system. Combining this interest with my coding and writing experience, I thought to make this JavaScript Planet ...

That's a pretty cool design, although it's weird that they did fantasy style for W40K rather than Warhammer Fantasy. Reply reply ... I've seen other maps of the solar system on here. If the mods don't think it belongs here, they are free to do their thing. E: Spelling

Welcome to Solar System Builder! Here you can create your own solar system and watch it evolve. I've tried to be as scientifically accurate as possible in the simulation. Feel free to tell me if there's anything you want me to add that's not already included. Best viewed on fullscreen. Instructions: Set the star's temperature. Use the Choose Planet tab to insert up to 20 planets ...

This HD wallpaper is about futuristic, game, map, online, poster, sci fi, star, trek, Original wallpaper dimensions is 1600x1200px, file size is 282.88KB nathan royal Fantasy Solar System Map

Custom star maps from The Night Sky have over 20,000 reviews from happy customers. ... Create a custom Solar System of life's most meaningful moments. Ignite their curiosity with a personalised Solar System! Generated using NASA data, The Planets Aligned lets you create a unique Solar System showing the alignment of the planets from a day ...

A .wssg file is a csv file containing the system(s) information. Q: What is a .wssg file? A: A .wssg file is just a csv file. It's a special file extension because these files can also be loaded by the software to display saved systems. Q: How do I make custom systems? A: A custom system is a .wssg (csv) file containing the system(s) information.

Also, this post is going to be my entry for the RPG Blog Carnival this month. The exact topic is "To Boldly Go" hosted by Codex Anathema and is on the topic of exploring the planes and other worlds. It's couched in terms of Spelljamers and from a fantasy perspective (common with the blog carnival) but I thought, if you're going to be exploring new worlds, you ...

Outer Solar System: Jupiter- AU: 5.20 Radius: 43442.7 mi, 69,911 km, %1097.33 Earth Radii ... from the fantasy works of Tolkien and Le Guin, to the science-fiction universes of Delany and Asimov, to the tabletop realm of Gygax and Barker, and beyond. ... A map of the Solar Neighborhood in 2539 | Silent Abyss ...
