A love heart coloured yellow or gold. On Snapchat, the emoji next to a person's name means that you send the most snaps to this person and they also send you the most snaps back, indicating that they are you #1 best friend. The official name for the emoji is yellow heart, but most platforms opt for a golden sheen.

The gold heart emoji on Snapchat is a golden-hued heart symbol **, which appears in the chat window and is often used to express extreme affection, admiration, or gratitude towards the recipient.

Snapchat offers Snap Star status to celebrities and culturally relevant creators. You can be approved for Snap Star status once you've shown that you create high-quality content and have grown a large audience. Snap Star status adds a gold star next to your profile if you are approved and verified, which adds authenticity to your profile, business, or brand.

The gold heart basically means that you are sending the most snaps to that specific Snapchat friend and that

Gold snapchat

the friend is sending the most snaps to you. Meaning Behind the Red Heart The red heart emoji is a step up from the gold heart.

There could be several reasons why the Gold Heart disappears. One possibility is that the friendship between you and your Snapchat friend has weakened. The Gold Heart is awarded to users who consistently interact and communicate with each other. If the frequency of your snaps with that friend decreases, the Gold Heart may disappear as a result.
