Lethal company mod to pause the game for solo runs

You can play solo, if you like the whole aspect of the game; you can enjoy it solo. I mean, I do enjoy it solo, because it reminds me of exploring caves alone. It's pretty creepy, but if the enemies that require 2+ players to get rid of wouldn't spawn during solo runs it would be nice. I suggest doing it coop then trying out solo to start.

We're a community centered around the popular horror co-op game, Lethal Company! ... I'd say the problem here is that the T3 moons are just too risky for a solo run. So time management is part of the game, being able to pause you "extend" that timer for thinking. I'm just thinking the dev did that on purpose. Ah ok. That makes sense. But then again, since I'm playing solo, pausing the game for any situation is a means for practice, which in a lot of games solo is encouraged for.
