

Lithium batteries for harley davidson motorcycles

A Harley-Davidson® Lithium LiFe battery could be a better choice if the motorcycle is stored in a location where power for a maintenance charger is not available. When disconnected from the motorcycle, a Harley-Davidson Lithium LiFe battery will maintain its charge without maintenance for up to 12 months. Learn more about lithium motorcycle ...

As Kainem said, Harley does offer an official Lithium battery. I think lithium batteries need a special charger, and that's about all I know about them. I suppose it depends on the bike too. Harley doesn't make a Lithium battery for mine, but mine is a 1997 model. There are some aftermarket lithium batteries available.
