The APC BX1500M Backup Battery Power Supply has a black plastic housing with a vertical orientation. It measures 15.04 inches tall, 9.84 inches long, and 3.94 inches wide.

An uninterruptible power supply (UPS) is a type of backup battery that will continue to provide electrical power to the electronics that you have plugged into it even if electricity from your home outlets cuts out. Unlike a backup generator, it does not need to power up in order to start generating power. In other words, if you experience a ...
