Today, Pure Energy is the leading installer of quality PV solar systems in San Antonio and has expanded its reach to include leading operations in several other markets around Texas. In 2018, Pure Energy proudly welcomed Rob Dickson and the Texas Sky Solar team in Lubbock Texas to the Pure family.

"Fast, quality service and would recommend pure energy to install solar panels" "Pure Energy makes the entire process of installing and connecting solar panels so easy. The office and company are local. Warranty period is outstanding and passes to new owners. Office staff are constantly in contact and sending updates.

According to many past customers, Pure Energy has a good reputation. Their sales and installation crew are praised for their clear communication standards, attention to detail, and fair pricing. When searching for a solar contractor, it is essential to consider ones with top-notch reviews on multiple platforms, such as Pure Energy.

Pure Solar Energy has no reviews yet. We are an independent solar installation company. We work with customers all over the United States to gain energy independence by installing solar on their homes. Since we opened our doors in 2015, we've installed nearly 200,000 solar panels which generate an astounding 63,934,860 kWh of energy each year.
