In September 2009, Sol made a confident but very characteristic move and acquired Shell's Aviation business in the Eastern Caribbean. This move cemented Sol's presence as an energy leader in the Caribbean and as a vital player in the region's economy. 2009 led to another cornerstone investment in Sol's portfolio.

Sol gas company

and South America. We are committed to supporting and empowering the communities in which we operate.

Sol began as an inspired idea - to create a world-class, energy company managed and operated by a highly motivated and dedicated Caribbean-based team. Our main goal is to power the region with reliable and safe solutions. The world was first introduced to the Sol brand in 2005, when the company was born and the Sol logo was unveiled.
