

Solar power fountain with battery backup for birdbath

The new Aisitn is an upgraded high-quality 7in (18cm) 3.5w solar fountain that can be placed in or secured to (there are "sucker" feet on the bottom of the battery backup box) any existing birdbath, turning it immediately into a solar-powered birdbath fountain.

The YONSIEO Solar Birdbath Fountain Pump is another simple solar fountain pump you can add to a birdbath, pond, or water-filled statue. Its 2.5-watt solar panel is plenty powerful to run a basic pump and is more powerful than many similar options. It also features an 800 mAh battery backup to store power for use when the sun goes down.
