A name and experience you can trust! Founded in Seattle in 2005, serving the Puget Sound Region (Olympia, Greater Seattle Area, thru Mount Vernon) and Kitsap County, Sunergy Systems is an employee-owned Solar company and one of the most experienced solar design and installation companies in the Puget Sound area.

For large solar projects in Seattle, it is recommended to contact a local solar company that can handle the installation and maintenance of the solar panels. Local solar companies are well-versed with regional regulations and climate conditions, ensuring a smooth and efficient process.

After a door-to-door solar company came by with a high-pressured sales pitch, I decided to look into other options. I spoke with other neighbors who invested in solar, and I kept hearing amazing things about SolTerra. I got in touch with SolTerra, and the entire process was completely different compared to that fly-by-night door-to-door company.
