Solo cup company

The SOLO cup actually got its start on the heels of another massive drink and cup company. In the '30s, one employee of the giant Dixie Cup Company, Leo Hulseman, ventured out on his own. Hulseman left to create his own company, and much like the founders behind so many other great ventures, began tinkering in his garage.

The red Solo cup--only one of the company's products but by far its most recognizable--was introduced to the United States in the 1970s, as what Rebecca Bikoff, a brand manager at Solo ...

The SOLO Squared Cup is the original plastic party cup. Available nationwide in red and blue. Other colors available in select locations. The original red cup is 18 oz and has 4 grip areas. 5 Stars
