In 2021 Solo Stove set out to plant more trees than our products consume. Through an arrangement with One Tree Planted they have promised to plant 10,000 trees across the globe based on our current donations, with the goal to plant 1,000,000 over the next five years from our partnership. Not only do the trees planted help offset carbon ...

After seeing a Solo Stove in action at a friend's place, my wife and I immediately ordered one of our own. We couldn't be happier! Easiest fire I have ever started in my life. Burns clean and hot, easy to maintain, and crucially easy to clean up. The fire itself is well contained and yet still very warming to everyone around it.
