My experience with SUNRUN has been very costly, time consuming and disappointing. SUNRUN installed my system 2019. Said they would come back and review system and make sure it was working correctly. I never heard back from them. I have called them several times regarding my production. I pay estimated \$3,000 per year for my power on top of ...

Established in 2007. Formed in 2007, Sunrun pioneered residential solar service. We have over 550,000 customers and have sold our solar service in 22 states, DC & Puerto Rico. We provide a superior solar energy service with fixed pricing under 20 or 25 year agreements, that generate recurring, contracted revenue for multiple decades. Sunrun has the industry's leading ...

Sunrun, a veteran in the solar industry, is a solid choice if you're primarily interested in a solar lease. The company offers two solar leasing plans, which is unique compared to most solar installers' standard leasing plans.

Real San Diego, CA homeowner stories and reviews. Say no to TOU rates, protect your home from outages, lock in low energy rates & get peace of mind for years to come with solar panels & home battery. ... With Sunrun's home solar and Brightbox battery in San Diego California, you have the freedom to choose affordable, reliable power when you ...

The company still offers solar loans and full purchase payment options, but there are fewer additional perks with these plans with Sunrun. This dynamic makes Sunrun less appealing if you care to get more financial gain out of a solar panel system, which loans and full purchases permit.
