

Troy bilt 20v lithium battery replacement

Reduce emissions by using environmentally friendly battery powered equipment. Consistent, full-power for up to an hour of run time. Can be stored for extended periods with less self-discharge than NiCd batteries. Fits all Troy-Bilt LI-ION products, reducing the need for multiple batteries and saving you money.

If you're searching for a spare or a replacement for your Lithium Ion, Absorbent Gas Mat (AGM) or Lead Acid battery, use our Part Finder to make sure you're getting the right battery for all your equipment.

This Troy-Bilt lithium-ion battery is designed to work with the Troy-Bilt Lithium line of products. Lithium-ion batteries offer up to 3 times the number of life-cycle charges compared to standard nickel cadmium (NiCd) batteries, while also offering extended storage

Find many great new & used options and get the best deals for Troy-Bilt TB20V 20-volt 6ah Lithium Cordless Tool Battery at the best online prices at eBay! Free shipping for many products!

6 · Troy-Bilt 20V battery replacements usually include lithium-ion and nickel-cadmium options. Lithium-ion batteries are common for their light weight and longer lifespan. Nickel-cadmium batteries are heavier, but they perform better in cold weather. Compatibility with Models: Compatibility varies by model.
